Wood County ADAMHS Addresses Opiate Epidemic at June Luncheon

The June luncheon meeting will be held on Wednesday, June 21st, at 11:45 am at the Carranor Hunt and Polo Club, 502 East Second Street in Perrysburg. We welcome Ms. Lorrie Lewandowski, Associate Director of the Wood County Alcohol, Drug Addiction and Mental Health Services Board as our guest speaker. Ms. Lewandowski's presentation is "American Under Siege: The Opiate Epidemic."

Over the past 24 years, Ms. Lewandowski has worked in both clinical and prevention settings with adults, youth, families, schools and communities. Her life-long interest in the fields of treatment and prevention has compelled her to ask the "why" question regarding high-risk behaviors especially underage drinking and other drug use. For the last 4 years, Lorrie has served as the Associate Director of the Wood County Alcohol Drug Addiction Mental Health Services Board. She received a Master's Degree in Social Work from Ohio State University and is currently licensed as an Independent Social Worker and a Chemical Dependency Counselor in the State of Ohio. She is also certified as an Ohio Prevention Specialist.

Doors at the Carranor Club will open at 11:45 am. The fee for the luncheon is \$15 per member with advance reservations and \$17 for walk-ins. Non-members are welcome to attend one luncheon meeting for a \$20 fee prior to joining the Chamber.

If you need to cancel your reservation before the luncheon please give a 24 hour notice to avoid a cancellation charge. Call the Chamber office at (419) 874-9147 by Friday, June 16th with your reservations. Or e-mail reservations to laurie@perrysburgchamber.com.

The City of Perrysburg invites the public to a re-dedication of Riverside Park on Thursday June 8th at 4:00 p.m. Riverside Park is located on Front Street. Mayor Mike Olmstead would like to welcome everyone to enjoy the beautiful transformation of the park with a Ribbon Cutting ceremony and light refreshments. Explore all that the new park has to offer!

As Mayor Olmstead has conveyed, "We continue to seek to improve the quality of life experience for all in Perrysburg while maintaining economic viability of the community. Creating accessibility to the riverfront for all citizens of Perrysburg and to give everyone the opportunity to enjoy the rich heritage that this City has to offer has been a primary goal of my administration." Improvements to the park include walking paths that are wheelchair accessible, sitting areas, areas to socialize and relax at the top in the plaza area as well as at the river itself, and improved views of the best vista that Perrysburg has to offer. Aesthetically, it looks beautiful and invites you to explore. Riverside is now what it was always meant to be by our founders – a Park to be enjoyed by all the people of the City – as written on the original Plat for the City of Perrysburg.

Please come out and enjoy some light refreshments while taking in the scenic beauty of the Mighty Maumee from a whole new vantage point!
